About Moiré

Moiré is taken from the French word “to water”. Moiré was considered the benchmark for sophisticated fabric used for high fashion and home furnishings with its watered, rippled appearance and polished sheen.

Moiré Quilt

Introducing Andover Fabrics new collection:
MOIRÉ by Di Ford-Hall
Quilt designed by Di Ford-Hall

Quilt finishes 72" x 72"
56 Star Blocks : 6" x 6"
1 Big Block: 18" x 18"

A fun mixture of blending colors is the focus of this medallion-style quilt. A sawtooth pieced border frames the easy star blocks for a final touch. What a fun size for a queen-bed topper or stunning wall quilt.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/4 is an 18" x 20"-22" cut of fabric. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

Making the Quilt

1. This quilt is very scrappy, and any color combinations work for the blocks and border. The cutting list and block diagrams are for the quilt shown, but feel free to alter the blocks as you desire. The small and big star blocks are made with quick piecing methods. To make the flying geese units for the small star, draw a diagonal line on the wrong side of eight 2" squares. Place a marked square on one end of a 2" x 3½" rectangle, right sides together. Sew on the marked line; trim away and discard excess fabric (Diagram 1). Press open. Repeat this process on the opposite end of the rectangle to make a flying geese (Diagram 2). Make 4 alike for each small star.

2. Referring to the small star diagram, arrange 4 flying geese, 4 matching 2" squares, and a 3½" center square to make a small star block. Make 4 of each combination shown, or make them in any combination you desire. Make a total of 56 small star blocks. Make an additional small star for the center block using Fabric O and Fabric P patches (as shown in the big star diagram). Set blocks aside.

3. Referring to Step 1 and Diagram 3, make 4 flying geese using Fabric E $3\frac{1}{2}$ " squares and Fabric B $3\frac{1}{2}$ " x $6\frac{1}{2}$ " rectangles for the big star block. Make 4 more flying geese using Fabric P squares and Fabric C rectangles (Diagram 4). Set aside.

4. To make the four-patches for the big star block, join Fabric C and Fabric E 2 " x 18 " strips. Press seam allowance to one side. Cut 8 segments 2 " wide from the band. Join 2 segments together as shown to make a four-patch (Diagram 5). Make 4 like this.

5. The big star block and pieced border use half-square triangles (HST) that finish 3 " square. Use your favorite method to make HST, or follow these directions. Draw a diagonal line on the wrong side of each light 4 " square. Place a marked square on a darker square, right sides together. Sew $\frac{1}{4}$ " seam on each side of the marked line (Diagram 6). Cut apart on the marked line. Press open to make 2 pieced HST. Trim the squares to $3\frac{1}{2}$ ". Make 88 total HST for the border. Make 8 HST for the big star using Fabric B and Fabric Q squares (Diagram 7).

6. Refer to the big star diagram. For the top row, arrange the appropriate flying geese, 2 HST, and 2 Fabric B squares to make the top row. Be sure to orient the fabrics as shown. Join the parts together. To make the second row, join 2 HST, 2 four-patches, and the appropriate flying geese. For the middle row, join 4 flying geese and the small star block. Repeat to make rows 4 and 5. Stand back to be sure that fabrics are in the correct position. Once you are satisfied, stitch rows together.

7. Referring to the Quilt Diagram, alternately join 6 small star blocks and 5 Fabric G $6\frac{1}{2}$ " squares to make a horizontal row. Make 4 rows like this. Join 5 small star blocks with 6 Fabric G squares. Make 4 rows like this. Set aside.

8. Join 2 star blocks and 2 Fabric G squares to make a side row. Make 6 rows like this. Join 3 of these rows to make a side unit, turning the rows as shown. Repeat for the other side. Sew side units to the sides of the big star block. Sew the rows from Step 7 in the correct order to the top and bottom.

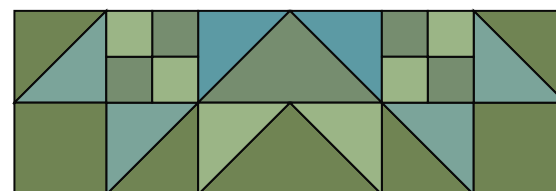

9. To make the pieced border, arrange and join 11 HST made in Step 5 side by side. Join another 11 HST side by side, orienting the light/dark fabrics in mirror image. Sew the 2 halves together, noting how they join where they meet. Sew to a side of the quilt. Repeat for the other side. Likewise, make 2 more pieced borders. Sew a Fabric N $3\frac{1}{2}$ " square to each end. Sew to the top and bottom of the quilt.

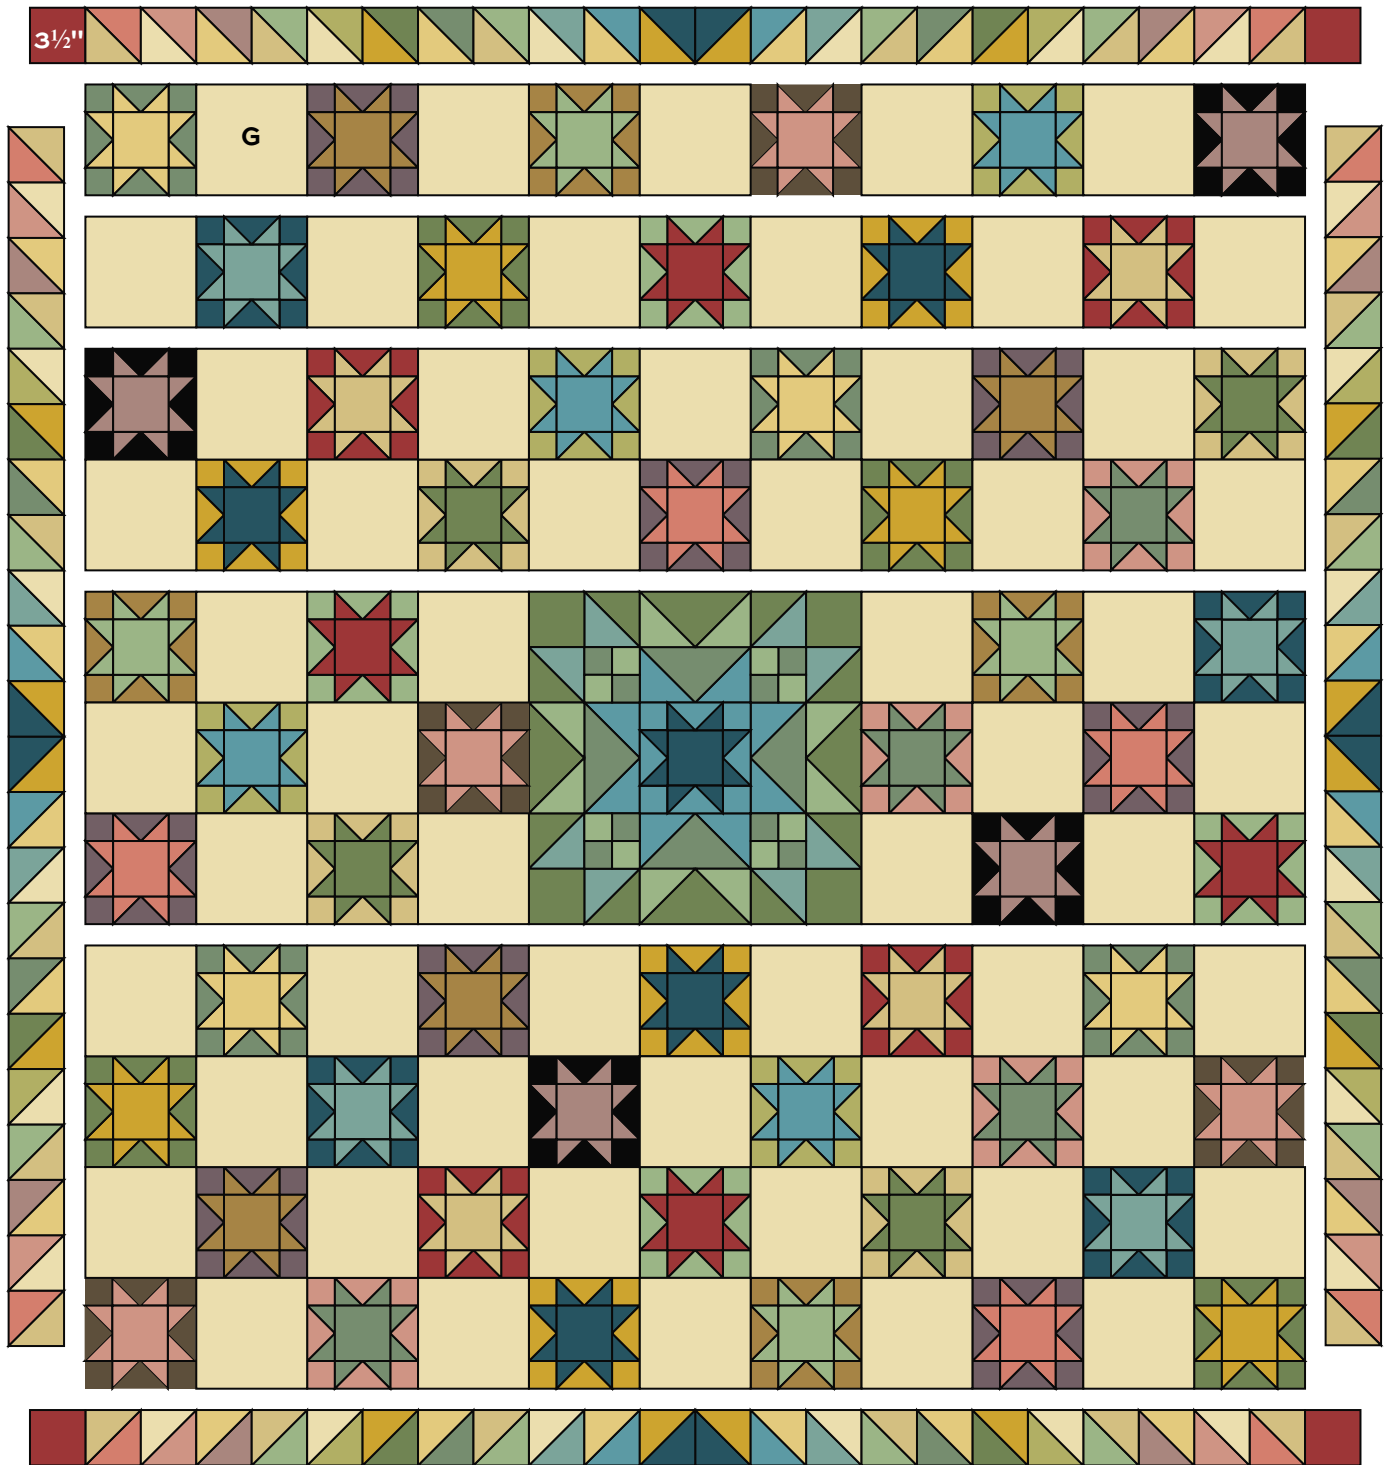

Finishing the Quilt

10. Layer the quilt with batting and backing and baste. Quilt in the ditch around block patches. Quilt the Fabric G setting squares as you wish. Bind to finish the quilt.
