Old Glory Quilt

Making the Quilt

1. Fussy-cut the Fabric A and B squares to leave ¼″ seam allowance all around the printed star motif.

2. Referring to the block diagrams, sew Fabric H strips to the Fabric B square, and then join Fabric G strips to the block. Make 12 Block X. Likewise, join Fabric I and Fabric F strips to the center A squares. Make 6 Block Y.

3. Block Zs are made with 2½″-wide strips sewn to each side of a center Fabric C, D, or E 3½″ strip. The outer strips can be placed randomly as you see fit. Make 17 Block Z.

4. Referring to the Quilt Diagram and the quilt photograph, arrange the blocks in 5 vertical columns, with 7 blocks in each column. Note that the Z blocks in each column are made with the same Fabric C, D, or E print. Look at the quilt through the wrong end of binoculars or through a camera to be certain that the layout is accurate. Once you are satisfied, join the blocks into columns, and then join the columns.

5. Sew long Fabric L borders to the sides, and then to the top and bottom. Join Fabric K and J borders to the quilt in the same order.
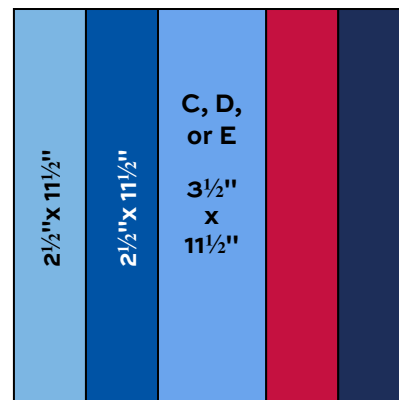

Finishing the Quilt

6. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and patches. Quilt around the printed motifs as you wish. Bind to finish the quilt.
